KBOCC APPROVED AS MICHIGAN POST-SECONDARY CREDIT PARTNER

Keweenaw Bay Ojibwa Community College (KBOCC) is happy to announce its official recognition as a partner in the Michigan Statewide Post-Secondary Credit agreements for Career & Technical Education (CTE) and its new acceptance of post-secondary CTE credits from students across the state. This partnership was made possible through collaboration with the Copper Country Intermediate School District (CCISD). The agreements are designed to reduce course duplication and streamline the transfer of credits from high school to college. KBOCC currently offers approved agreements in Business/Entrepreneurship, Certified Nursing Assistant, and Welding/Manufacturing.

Megan Haataja, Dean of Academic Affairs at KBOCC, is excited to formalize these agreements with the State of Michigan, extending opportunities beyond Baraga and Houghton County to students statewide. She expresses her gratitude to Corey Soumis, the CCISD Career & Technical Education Director, for his assistance in establishing these agreements and making these formalized opportunities available to students throughout Michigan.
